#### OTHER SCHOLARLY AND PROFESSIONAL ACTIVITIES

I have directed over 100 doctoral dissertations in the field of Human Development.

I have directed over 35 masters degree theses in the field of Human Development.

I have served on the Board of Directors of several child advocacy groups in the capacity of expert in child and human development.

I have been identified as the child development expert in numerous proposals related to drug prevention education.

I have particular interest and recognized expertise in the area of parent education. I have taught graduate level courses in parent education at the University of Maryland.

I have served on review panels for choosing exemplary programs in drug education funded by the United States Department of Education.

I have been curriculum development director of several award winning television series including the series Footsteps--a parent education television series consisting of 30 half hour shows and Powerhouse--16 one hour mental and physical health television shows designed for preteens and adolescents.

I have served as the child development expert for many proposals funded to develop print and non print materials for

parents, teachers, children and youth.

#### ADDITIONAL SAMPLING OF SCHOLARLY PRODUCTIVITY

1968-"Attitude Change Through Reward of Verbal Behavior: Replication and Extension," by Charles H. Flatter and Gloria A. Mulcahy. (Presented as a paper at the 1968 American Educational Research Association Convention and printed in the papers of the convention)

1971-"Recommendations for Early Childhood in the City of Columbia, Maryland." A 155 page report published and distributed by the Early Childhood Board of Education of the Columbia Association.

1971-"Early Childhood--That Special Time," a twenty-five minute film produced for the Lutheran Church, Missouri Synod (co-producer Robert Huebner)

1972-"Development of Positive Self Images of High School Students Through Anecdotal Record Keeping," project completed with Alda Harper, Canal Zone.

1972-"Case Studies of Children in Head Start-1971-72." Author of chapter under contract with the Office of Child Development, Washington, D.C.: United States Department of Health, Education and Welfare.

1975-Evaluation of Edgemoade Programs Year-end Report. 125 page publication completed under contract with Edgemoade Rehabilitation Centers.

1975-"Spiritual Approach and Avoidance Tendencies Among College Age Christians," Review of Religious Research, 1975 (co-author X. Kozubal).

1975-"Cultural Values Inventory," developed and published with co-author X. Kozubal.

1975-"Manual for Cultural Values Inventory," co-author, X. Kozubal.

1975-"Some Psychological Type Correlates of Traditional Spiritual Interest Among University Undergraduates," Journal of Analytic Psychology. (co-author X. Kozubal).

1976-"An In-service Program for Teachers: The Forgotten Key to Educational Success," The Journal of Teacher Education, Summer 1976, Vol. XXVII, No. 2. (co-author E. Koopman).

1976-"Developmental Characteristics of Children and Youth." Washington D.C.: Association for Supervision and Curriculum Development. (A 23"x34" wall chart listing the characteristics of Social Development, Self Development, Thinking/Language

Development, and Physical Development of Children and Youth, ages 3-19).

1975-78-Co-authored grant proposal for a Teacher Corps project at the University of Maryland. Proposal was funded and I served as a staff member of the project for two years in Charles County, MD.

1977-"An Investigation of Human Relations Training on the Task Orenetation of Individuals," Perceptual and Motor Skills, 1977, pp. 1123-1129. (co-author Robert Hardy)
