

CURRICULUM VITAE
NATHAN A. FOX

I have read the following and certify that this curriculum vitae is a current and accurate statement of my professional record.

Signature _____ Date _____

Personal Information:

Address: 12105 Greenleaf Avenue, Potomac, MD 20854
Telephone: Home (301) 424-2669, Work (301) 405-2816
Date of Birth: April 20, 1948
Place of Birth: New York, NY

Academic Background

Ph.D. Psychology and Social Relations, Harvard University,
Cambridge, Massachusetts, 1975.
A.B. With Honors in Political Science, Williams College,
Williamstown, Massachusetts, 1970.

Additional formal training:

1976-77 Postdoctoral Fellow in Cross-Cultural Child Development, Harvard University.

Professional Work Experience:

2002- Sackler Professor by special appointment, Department of Psychology, Tel Aviv University, Tel Aviv, Israel.
1989- Professor, Institute for Child Study/Department of Human Development, University of Maryland, College Park.
1989- Adjunct Professor, Department of Psychology, University of Maryland, College Park.
1986-90 Associate Professor, School of Nursing, University of Maryland, at Baltimore.
1986-89 Associate Professor, Institute for Child Study/Department of Human Development, University of Maryland, College Park.
1982-86 Assistant Professor, Institute for Child Study/Department of Human Development, University of Maryland.
1981-82 Visiting Lecturer in Psychology, New School for Social Research.
1978-83 Adjunct Assistant Professor of Psychology, Department of Psychology, New York University.

1978-82 Assistant Professor, Clinical Pediatric Psychology, College of Physicians and Surgeons, Columbia University.

Research, Scholarly, and Creative Activities

Books edited:

Fox, N.A. & Davidson, R.J. (Eds.). (1984). The Psychobiology of Affective Development. Erlbaum Press, Hillsdale, N.J.

Field, T. & Fox, N.A. (Eds.). (1985). Social Perception in Infants. Ablex Press, Norwood, N.J.

Fox, N.A. & Fein, G. (Eds.). (1990). Infant Day Care. Ablex Publishers, Norwood, N.J.

Leavitt, L.A. & Fox, N.A. (Eds.). (1993). The Psychological Effects of War and Violence on Children. Erlbaum Press, Hillsdale, N.J.

Marshall, P.J. & Fox, N.A. (Eds.) (2005). The Development of Social Engagement. New York: Oxford University Press.

Chapters in books:

Kennedy, J. & Fox, N.A. (1977). Pictures to see and pictures to touch. In D. Perkins and B. Leonard (Eds.), The Arts and Cognition. Johns Hopkins University Press, Baltimore, MD. (pp. 118-135).

Fox, N.A. (1980). Assessment of the mother-infant interaction: A research design for clinical evaluation and intervention. In S. Harel (Ed.), Infants at Risk. Excerpta Medica, The Netherlands. (pp. 80-84).

Fox, N.A. & Lewis, M. (1980). Maturation and experience in preterm development. In J. Gallagher (Ed.), New Directions for Exceptional Children. Jossey-Bass, San Francisco, CA. (pp. 37-50).

Lewis, M. & Fox, N.A. (1980). Predicting cognitive development from assessments in infancy. In B. Camp (Ed.), Advances in Behavioral Pediatrics. Vol. I. JAI Press, New Haven, Conn. (pp.53-68).

Fox, N.A. & Davidson, R.J. (1984). Hemispheric substrates of affect: A developmental model. In N.A. Fox & R.J. Davidson (Eds.), The Psychobiology of Affective Development. Erlbaum Press, Hillsdale, N.J. (pp. 353-382).

National Science Foundation. Hemispheric asymmetry and the development of discrete emotions, PI – Fox, 2/84-6/86.

National Institute of Mental Health. Facial expressions of happiness and sadness in infants, PI – Fox, 9/83-8/84

The Foundation for Child Development. Affective responsivity and hemispheric asymmetry in 10 month old infants, PI – Fox, 9/82-8/83.

Fellowships, Prizes and Awards:

Distinguished Scholar Teacher Award, University of Maryland, 2005.

Keynote speaker for NICHD Scientific Retreat, 2005.

2002-04 President Division 7, American Psychological Association

NIH/NICHD MERIT Award for outstanding research, 2001.

Member, MacArthur Network: Early Experience and Brain Development, 1999-2006

Lady Davis Fellow, Department of Psychology, Hebrew University, Jerusalem, Israel, 1996.

Graduate Research Board Award - Semester Award. University of Maryland Graduate School.
Fall 1992.

1988-90 President, International Society for Infant Studies.

Member, MacArthur Network for the study of transition from infancy to early childhood:
Working group on the study of temperament, 1987-92.

Graduate Research Board Award - Semester Award. University of Maryland Graduate School.
Fall 1986.

FILUM/Computer Science Center Award for development of a microcomputer system for
teaching psychophysiology. Two microcomputers and software awarded. 1985.

Graduate Research Board Award. University of Maryland Graduate School. Spring 1984.

Computer Science Center Award, University of Maryland Competition for Project on Micro-
Computer Uses in Education. Project FILUM. Project entitled "Development of a
Computerized Polygraph System for Lab Instruction", 1984.

Division of Human and Community Resources Small Grant Award. University of Maryland.
1983-84.

Associate, Center for Educational Research and Development, College of Education, University
of Maryland, 1983-84.

Graduate Research Board Award. University of Maryland Graduate School. Summer 1983.

Division of Human and Community Resources Small Grant Award, University of Maryland.
1982-83.

Young Scholar in Affective Development Award, Foundation for Child Development, 1982-83.

St. Luke's-Roosevelt Institute for Health Sciences Award. 1981.

NIH Postdoctoral Fellowship, Cross-Cultural Child Development, Harvard University, 1976-77.

NIMH Pre-doctoral Training Grant for dissertation research. Nine months field work on Israeli
kibbutz, 1974-75.

*Editorships, Editorial Boards, and Reviewing Activities for Journals and Other Learned
Publications:*

2006 - Editorial Advisory Board, Journal of Child Psychology and Psychiatry

- 1997-99 Editor, Infant Behavior and Development
- 1992-98 Associate Editor, Developmental Psychology
- 1990-93 Editorial Board: Journal of Applied Developmental Psychology Child Development
- 1987-90 Associate Editor, Psychophysiology

Teaching, Mentoring and Advising:

Courses taught in the last five years:

Fall 2001 EDHD 411, EDHD 779E
Spring 2002 EDHD 775, EDHD 884

Fall 2002 EDHD 411, EDHD 779E
Spring 2003 EDHD 775, EDHD 884

Fall 2003, EDHD 411 EDHD 779E
Spring 2004 EDHD775, EDHD 884

Fall 2004, EDHD 411, EDHD 779E
Spring 2005 EDHD 775, EDHD 884

Fall 2005 EDHD 411, EDHD 779E
Spring, 2006 –Sabbatical

Fall 2006 EDHD 775, EDHD 601, EDHD 779E

EDHD 411 - Child Growth and Development
EDHD 779E - Developmental Psychophysiology Laboratory
EDHD 884 - Laboratory in Emotional Development
EDHD 775 - Psychophysiological Processes
EDHD 601 - Biological Bases of Behavior

Teaching Awards:

1987 Distinguished Visiting Scholar, Department of Psychology, University of Utah.

Advising -

Roosevelt High School Senior Project Students
Elizabeth Reed
Kathy Farida Bhuiya

Undergraduate Honors Theses Completed

Marina Nikhinson
Juliette Anderson
Christyn Jackson
Elizabeth Malesa
Alison Schlenger
Laura Driscoll
Danielle Delvecchio

Current Undergraduate Honors Theses Students

Jordan Osher

Current Graduate Students (and Fellowship Funding)

Melissa Ghera

Jennifer Martin--NRSA

Michael Hardin---NIMH---IRTA

Khalissa Herman---NIMH---IRTA

Lauren White---NICHD training grant

Sarah Helfenstein---NACS fellowship

Current Post-Doctoral Fellows

Kate Degan

Shannon Ross-Sheehy

Bethany Reeb

Lela Rankin

Jae Bodas

Former Graduate Students and their current positions

Cynthia Stifter Professor, Penn State University

Brian Healy Professor, Ithaca College

Martha Ann Bell Associate Professor, Virginia Tech

Louis Schmidt Associate Professor, McMaster University

Ariana Shahinfar Assistant Professor, University of North Carolina, Charlotte

Patricia Garrett-Peters Research Fellow, University of North Carolina Chapel Hill

Heather Henderson Assistant Professor, University of Miami

Michael Crowley Fellow, Yale Child Study Center

Efrat Schorr Post Doctoral Fellow, Bar Ilan University

Former Post Doctoral Fellows and their current positions

Susan Calkins Professor University of North Carolina, Greensboro

Timothy Marshall Associate Professor, Christopher Newport University

Yair Bar-Haim Associate Professor, Tel-Aviv University

Peter Marshall Assistant Professor, Temple University

Koraly Perez-Edgar Assistant Professor, George Mason University

Amie Ashley Hane Assistant Professor, Williams College

Service:

Professional –

2006- Advisory Board, Johnson & Johnson Pediatric Institute Executive Committee & Chair of the Publication Committee, International Society for Infant Studies.

2005- Executive Board, International Society for Infant Studies

- 2005-- Chair, Publications Committee, International Society for Infant Studies
- 2004 - Executive Board, Mental Health Conference Network on Comparative Studies
- 2003 - Member, National Scientific Council on the Developing Child
- 2003- Member, Biobehavioral and Behavior Sciences Subcommittee, NICHD
- 2002 - Advisory Board, Merrill Palmer Institute
- 2002-04 President Division 7, American Psychological Association
- 2001 - Advisory Board, Carolina Consortium for Developmental Science.
- 1999- Member, NIMH Network: Early Experience, Stress Neurobiology and Prevention
- 1992- Board of Directors, Infant Mental Health Organization.
- 1992-93 Member, National Institute of Mental Health, Emotion and Personality Review Committee
- 1991-92 Member, National Task Force on Applied Developmental Science.
- 1983-89 Childbirth Education Association, Board of Advisors.
- 1988-90 President, International Society for Infant Studies.
- 1988 Invited Reviewer: National Institute of Child Health and Development: Human Development Study Section 3.
- 1988 Special Review Panel, National Institute of Mental Health: Special Study Section on Training Programs in Emotion.
- 1987-88 Program Chair, International Conference on Infant Studies, Washington, D.C., 1988.
- 1986 Invited Reviewer: National Institute of Child Health and Development: Mental Retardation and Prevention: Site visitor to Waisman Center, University of Wisconsin, Madison and to Kennedy Center, Albert Einstein College of Medicine.
