All Gen Ed, pre-professional and professional coursework must be completed with a "C-" or better prior to student teaching. Students must be admitted to the Professional Program in order to register for the courses below. Students must maintain a 2.75 GPA while completing these courses.				
This is a proposed plan and the College of Education does not guarantee that these courses will be offered in the designated semester. Consult the <i>Schedule of Classes</i> for class availability and meeting times.				
*Two lab sciences are required for major				
All students must complete two Distribute Studies courses that are approved for I-series courses. Students must complete Understanding Plural Society and Cultural Competence courses that may also fulfill a Distributive Studies category.
