Position Opening: General Research Assistant

Overview
CECEI is seeking Undergraduate Research Assistants to assist with several projects, including: developing an early childhood curriculum, examining the effectiveness of a preschool expansion grant, studying the implementation of special education services in early childhood, and promoting family engagement in young children’s learning.

Position Details
- Undergraduate Research Assistants will be expected to work at CECEI approximately 10 hours per week
- Compensation will be course credit
- Priority will be given to applicants who are available/interested in working for 2 consecutive semesters

About Us
The Center for Early Childhood Education and Intervention (CECEI) is a joint initiative between the Department of Counseling, Higher Education and Special Education (CHSE) and the Department of Human Development and Quantitative Methodology (HDQM). The mission of CECEI is to conduct high quality research on early childhood education and early intervention programs in order to inform State and Federal policy, to translate research into scalable education programs and best practices, to build capacity in schools and communities, and to promote family engagement in their children’s education.

Recruitment for these Undergraduate Research Assistant positions is ongoing. Please contact us with any questions or for more information. To apply, please email a resume, cover letter, and unofficial transcript to David Patton at CECEI@umd.edu.
