

## Minor in Second Language Education

The minor in Second Language Education includes coursework from the Department of Teaching and Learning, Policy and Leadership (TLPL). The curriculum provides a foundation in second language learning and pedagogy, cross-cultural issues and understanding, and curricular and pedagogical issues which support reading and writing in a second language context. Several of the courses include field components that provide candidates with direct experience in working with second language learners. The minor incorporates coursework required for Teachers of English to Speakers of Other Languages (TESOL) certification from the Maryland State Department of Education.
