All Gen Ed, pre-professional and professional coursework must be completed with a "C-" or better (unless otherwise stated) prior to student teaching. Students must be admitted to the Professional Program in order to register Professional Semester Coursework. Students must maintain at least a 2.75 GPA.

This is a proposed plan and the College of Education does not guarantee that these courses will be offered in the designated semester. Consult the *Schedule of Classes* for class availability and meeting times.

*All students must complete two Distributive Studies courses that are approved for I-series courses. Students must complete Understanding Plural Society and Cultural Competence courses that may also fulfill a Distributive Studies category.

Many of these courses will fulfill Gen Ed Requirements. Please connect with your UMD Advisor for more information.
