www.nycdc.org

A CSP team named *Chain Reaction* comprised of Mei-Yen Hui, Glenn Ireland, Susan Jones, and Gretchen Metzelaars will ride 330 miles from New York City to DC--beginning early morning on September 10th and finish in DC on Sunday the 13th. The route takes them from NYC to the Atlantic Highlands of New Jersey (via ferry ride which Susan hopes is counted in the mileage!). After 2 days of riding they arrive at Cape May and take the Cape May-Lewes Ferry to Delaware and spend the 3rd night on Tilghman Island before riding to DC! Team Chain Reaction has raised nearly \$10,000 to support groundbreaking AIDS research. ***Still time to make a pledge!***

Many readers will be interested in Dr. **Nancy K. Schlossberg's** new 2009 book, *Revitalizing Retirement: Reshaping Your Identity, Relationships, and Purpose* (APA).
