# Alumni News

**Deborah J. Taub** was honored at the NASPA Conference in Orlando with the Robert H. Shaffer Award for Academic Excellence as a Graduate Faculty Member. What is so amazing is that Deb is one of many past Terps to win this incredible award. One of our reporters was sitting in the back of the Awards Luncheon at NASPA when Deb spoke and there wasn't a dry eye in the house. She truly is an inspired faculty member!

**Deborah J. Taub** was also honored as a 2013 ACPA Diamond Honoree. It is award season in the Taub household! So proud of our almost "triple crown" winning Deb!

After four amazing and educational years at Bard College, **David Pack** will be moving to Dartmouth College as the Assistant Director of the Collis Center for Student Involvement. What a joy to know that David will be working his magic up in the snow country of New Hampshire. Have a great transition, David.

**Mark Mason** accepted a psychologist position at the University of Delaware's Counseling Center! Just think, he will join with fellow Terp Jose in this school "just up the street." Way to go, Mark. You will make such a difference in the lives of students at Delaware.

**Krystal Clark** begins as the Associate Director of the new Office of Student Leadership Development at Vanderbilt University. Additionally, she has been nominated for the Nashville Emerging Leader Award in the field of Education for the past two years and was named as a Top 5 Finalist in 2012. We like to say "We knew this award winning leader...way back when!" We are so proud of your accomplishments and this well-deserved recognition.

**Kristen Skendall** and John Skendall were awarded the 2012-2013 House Director of the Year at the University of Maryland. This great recognition of Kristen and John's ability to live and lead in a sorority house was bestowed on this good couple at the President's Greek Awards Reception in May. It is a special gift to be able to live in the student community and make a daily difference in the lives of students.

**John P. Dugan** was named the Distinguished Faculty Award for Excellence in Research by the School of Education at Loyola University Chicago. We always knew that John was something special and now all of Chicago knows this. What a gift you are to your students and colleagues at Loyola. You make your alma mater and the profession very proud.
