

# CEW Project 1 – We Are Special: Learning and Growing Together

## CEW Small Group Mathematics Scope and Sequence

Week	Math Question	ELA SKB	ELA SKB Level	Math Vocabulary
<b>Week 1</b> What can I do by myself?	How can I sort clothes?	Sorting and Classifying – Level 1 Object Counting – Level 1	<b>Sorting and Classifying:</b> Sorts and classifies objects into two groups by one attribute (e.g., color, shape texture). <b>Object Counting:</b> Counts two objects using one-to-one correspondence.	same different count
<b>Week 2</b> What can I do with others?	How can we count together?	Number Words – Level 1 Object Counting – Level 1	<b>Number Words:</b> Recites number words in sequence from 1 to 5. <b>Object Counting:</b> Counts two objects using one-to-one correspondence.	count total one two three
<b>Week 3</b> What can I do with my family?	Find a match!	Identifying/Comparing/Measuring – Level 1 Two-Dimensional Shapes – Level 1	<b>Identifying/Comparing/Measuring:</b> Identifies two objects that obviously differ from each other on a measurable attribute (e.g., length, size). <b>Two-Dimensional Shapes:</b> Matches a few basic two-dimensional shapes.	match size shape
<b>Week 4</b> Who am I? How am I special?	Counting Games	Number Words – Level 1 Object Counting – Level 1	<b>Number Words:</b> Recites number words in sequence from 1 to 5. <b>Object Counting:</b> Counts two objects using one-to-one correspondence.	count move
