“GREATER IMPACT II” 2018 UNIVERSITY CONFERENCE

Sponsored by the Prince George’s County Public Schools System Leadership Center and the University of Maryland College of Education, Center for Educational Innovation and Improvement

District-University Partnerships for Excellence: Developing the Equity Proficient Leader

This year’s conference will use the principles of improvement science and strong evidence to offer an exciting learning experience for educators and leaders at both the district and university levels alike. Topics include but are not limited to: Pipeline Planning, Leadership Development and Preparation, ESSA, District-University Collaboration and Improvement Science.

November 7 – 9, 2018

University of Maryland – Adele H. Stamp Student Union, College Park, Maryland

Further details and registration are forthcoming.
